Engaging drive

Focus is a destination of quality, choice and space. Across the range, you'll find advanced convenience technologies, including wireless charging, SYNC 3 with an 8" colour touchscreen, and a new 12.3" digital instrument cluster.

The digital cluster* with its 'true colour' LCD display is more informative, intuitive and easier to read than a standard analogue display.

Information is displayed in high definition images and icons, and changes colour and configuration to suit to the drive mode you have selected, including a range of performance-related data on ST.

*Availability varies according to series – see Section 4 Specifications for details.

Electrified performance

Focus EcoBoost mild Hybrid (mHEV)

The exciting new Focus EcoBoost mild Hybrid (mHEV) features sophisticated mild hybrid technology for reduced CO₂ emissions (vs a standard petrol engine), optimised fuel-efficiency, and a more responsive driving experience. The 48-volt mild hybrid electrified powertrain seamlessly integrates electric torque with a choice of two low-friction, three-cylinder petrol engines to deliver up to 155 PS (114 kW).

The mild hybrid technology employs a belt-driven integrated starter/generator (BISG) that replaces the standard alternator. The BISG also acts as a motor, using battery power to deliver punchier, more responsive performance, particularly at lower engine speeds, for a more flexible and connected driving experience.

Regenerative braking reclaims energy as you slow down, and uses it to deliver a boost as you accelerate, helping to improve performance and efficiency while reducing emissions.

Note For further fuel efficiency and emissions information, see Section 4, fuel and performance.

In touch and in control

With clever features and innovative technologies, Focus puts you in complete control. From the rear wide-view camera, to the automatic transmission's rotary gear shift dial, every element has been designed for an effortless drive.

- **Automatic transmission rotary gear shift dial[†]** lets you select gears easily at the twist of a knob, and frees-up cabin room for storage
- **Wireless charging pad** as standard means you can recharge a compatible device without a charging cable*
- **Rear wide-view camera^{‡2)}** displays a near 180-degree view behind the car to assist when reversing into or out of spaces
- **Driver's seat power adjustment[†]** including power lumbar support on partial leather seats
- **B&O Premium Audio System[†]** lets you experience music the way artists intended it to be heard

[†]Availability varies according to series – see Section 4 Specifications for details.

^{‡2)}Driver Assistance feature - optional as part of Convenience Pack.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

*Many phones are able to charge wirelessly. To be compatible your phone device will need to have Qi or you will need to have a Qi charging case.

Designed to perform

Focus ST

Built for the track; released for the road. Every component fine-tuned for performance. Meet the Focus ST. An aggressively sculpted signature exterior with large rear spoiler enhances aerodynamic performance. Advanced Recaro sports seats mould you to every contour of the road. While the Selectable Drive Modes feature includes Slippery, Normal, Sport and Track[†] modes – letting you tailor your drive to different conditions.

A specially-engineered 2.3-litre (280 PS/206 kW) EcoBoost engine*, low inertia twin-scroll turbocharger, plus anti-lag and Electronic Limited-Slip Differential (eLSD) technologies – together make this the most powerful, agile, and responsive Ford Focus ST yet.

An optional 5-Door Petrol **ST Performance Pack** elevates your ST driving experience even further (see Section 2, Options and Packs). Additional pack features include:

- **Launch Control** for peak acceleration from standing starts
- **Gearshift Indicator light** indicates optimal up-shift points for each gear
- **Rev matching** helps make dropping into a lower gear faster and smoother
- **Track Mode** tailors your drive settings for the circuit
- **Continuously Controlled Damping (CCD) Suspension** included as part of performance pack from Sept 2020 production (2021MY)

[†]Track Mode available as part of optional 5-Door Petrol Performance Pack.

*A 2.0-litre (190 PS/140 kW) EcoBlue diesel version is also available.

Focus ST 5-door in Ford Performance Blue exclusive body colour (option) and Focus ST 5-door in Orange Fury exclusive body colour (option).

Effortless driving

Congested city streets. Stop start driving. Focus can help take the stress out of heavy traffic. Adaptive Cruise Control with Stop & Go* will keep you a comfortable distance from the vehicle in front, even if it slows to a stop. And when the traffic starts moving again, your car will pull away too. While Lane-Centring Assist will gently correct the steering to help keep you within your marked lane.

- **Adaptive Cruise Control with Stop & Go^{†(2)*}** maintains a comfortable distance from the vehicle ahead, and can even bring your car to a complete stop and move off again as the traffic allows
- **Lane-Centring Assist^{†(2)}** continuously detects lane markings and can correct the steering to help keep your car within its marked lane
- **Traffic Sign Recognition^{†(2)}** displays important traffic sign information in the instrument cluster and head-up display
- **Intelligent Speed Assist⁽²⁾** scans traffic signs and uses the detected data to automatically set a speed limit and then regulate your speed accordingly. (Standard on all series)

[†]Availability varies according to series – see Section 4 Specifications for details.

²Uses sensors. ²Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

*Available for models with automatic transmission only. If stop is longer than three seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation.

Adapting to the conditions

The Ford Focus Adaptive Front Lighting System with Dynamic LED headlights¹⁽²⁾ provides enhanced illumination in a range of driving situations. Using speed, steering wheel angle or camera information, the system can alter the light pattern earlier, ensuring bends are illuminated before you enter them for easier and more relaxing night driving.

Traffic Sign Recognition⁽²⁾ means it can even identify when your car is approaching a roundabout or stop sign, and adapt the LED beam pattern for optimum illumination. (Standard on ST, option on all other series except Zetec Edition)

Glare-free high beam⁽²⁾ lets you drive on high beam for greater visibility, while reducing the risk of dazzling other road users. Sensors identify traffic ahead of your car and adjust the high beam pattern to protect other road users from glare, while illuminating the remainder of the road. (Part of Adaptive Front Lighting System)

And, should the weather take a turn for the worse, rain-sensing wipers⁽²⁾* will operate automatically to help provide a clear view of the road ahead. (Standard on all series except Zetec Edition)

¹Availability varies according to series – see Section 4 Specifications for details.

²Uses sensors. ³Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

*System must be turned off before entering an automatic car wash.

Focus ST-Line X Edition estate in Desert Island Blue exclusive body colour (option).

Escape the ordinary

Focus Active Edition

Combining the practicality of an SUV with the agility of a hatchback, the sporty Focus Active Edition crossover lets you take on challenges that others can't.

An elevated driving position and tough body mouldings help you command the road. While unique alloy wheels and wider track enhance the car's stability and your confidence in all conditions. Inside, SUV-inspired design seamlessly blends form with function to deliver a cabin perfect for active lifestyles – and includes Selectable Drive Modes technology to put you in control of your own adventures.

Pre-Collision Assist⁽⁰²⁾ with Pedestrian and Cyclist Detection*

Monitors your proximity to other vehicles, pedestrians and cyclists – even in the dark, when objects are within the headlight beams – and can alert you to a potential collision. (Standard)

Cross Traffic Alert⁽⁰²⁾

Sensors scan left and right as you reverse from a perpendicular parking space. The system will alert you if a moving vehicle or other hazard is detected. (Option on all series as part of Blind Spot Information System. Includes Active Braking.)

Lane-Keeping Alert⁽⁰²⁾

Designed to recognise when you approach the road markings without using the indicator, and alerts you with vibrations through the steering wheel. If you fail to react, Lane-Keeping Aid⁽²⁾ will help keep you within your marked lane**. (Standard, part of Lane-Keeping System)

Evasive Steering Assist⁽⁰²⁾***

Ford Focus is available with Evasive Steering Assist. The technology is designed to detect an evasive swerve manoeuvre and help you steer around an obstacle in your car's path. (Standard, part of Pre-Collision Assist)

⁽⁰⁾Uses sensors. ⁽²⁾Driver Assistance feature.

*Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations.

**Lane-Keeping System does not control steering.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Connected and in control

Ford SYNC 3

Ford SYNC 3 integrates seamlessly with your compatible smartphone to make communication and navigation effortless. You can control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you use the 8" colour touchscreen as if it were your smartphone handset. Using the touchscreen or simple voice commands, you can make calls, write and listen to text messages, and control your music and satellite navigation.

FordPass Connect*

The FordPass Connect modem that's built into your car enables a range of features designed to make driving easier and more enjoyable. These include Live Traffic[†] that delivers up-to-date traffic information to your SYNC 3 Navigation system, and Local Hazard Information^{††} that can warn you of upcoming hazards before they are encountered. In the event of an accident, eCall[‡] automatically places a call with the emergency services and shares your location. While for optimum connectivity, it also provides on-board Wi-Fi^{**} for a maximum of ten devices.

FordPass app

Get the most from your connected car experience with the FordPass app. From smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind, you can lock or unlock your vehicle wherever you are, while Remote Start (on models with automatic transmission) gets you ready for the journey by cooling the interior on a warm day or defrosting it on a cold winter's morning.

Health Alerts send important information, such as tyre pressure and fuel level warnings, direct to your phone.

Other FordPass app features can help you search for fuel stations near you or along your route, discover cafes, restaurants, and more. It can even help you find parking spots, compare prices, and see the location of your parked vehicle so you can easily find it again later.

Please note: Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. 100% connected. Only AppLink would incur charges. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information. Map updates are complimentary for a limited time following vehicle registration.

*The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing. Where available, FordPass Connect remote features are complimentary for 10 years, thereafter a subscription may be payable. **Wi-Fi hotspot (up to 4G LTE) includes a complimentary wireless data trial that begins when customers activated the trial with Vodafone and expires at the end of 3 months or when 3GB of data is used, whichever comes first. Afterwards data bundles can be purchased from Vodafone, refer to their website for details of their data packages. To take advantage of the built-in Wi-Fi hotspot capability, a 2020 Ford vehicle must come with the appropriate hardware, and a data plan is required. Data coverage and service is not available everywhere and terms of your data plan, including applicable message and data rates, may apply.

[†]Live Traffic access is complimentary for the first 12 months following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence subscription is required.

^{††}Local Hazard information is complimentary for the first 12 months following the registration of a new Ford with certain driver information modules; thereafter a licence subscription is required. Available late 2020.

[‡]Ford eCall shares vehicle location and helps the occupants initiate a call in their respective language to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

Effortlessly accommodating

Ford Focus estate combines the elegance of a coupé with an extremely spacious and versatile interior. Fold the rear seats and you have approximately 1,620 litres* of space (575 litres* in 5-seat mode, laden to the package tray). While a wide tailgate with low loading height and optional power-operation† make access easy.

The estate's adjustable load floor allows you to create a deep floor, or a shallower floor with storage below. A tonneau cover keeps your belongings out of sight and, when not required, can be stored in a dedicated space beneath the load floor.

*Measured in accordance with ISO 3832. Cargo and load capacity limited by weight and weight distribution.
†Availability varies according to series – see Section 4 Specifications for details.

Above: Focus Titanium X Edition estate in Fantastic Red exclusive body colour (option); Right top and bottom: Focus Vignale Edition estate in Fantastic Red exclusive body colour (option).

Active Park Assist 2^②

Once activated, Focus's Active Park Assist 2 can identify a suitable parallel or perpendicular space and perform the entire parking and exit manoeuvres for you. There's no need to put the car in gear, steer or use the pedals – the car does it all for you. (Option available on automatic transmission as part of Convenience Pack)

Rear wide-view camera²⁾

Focus's rear wide-view camera provides a clear view to the left and right at the rear of your car when reverse gear is selected. (Standard on Vignale and Active X Vignale Editions, and ST, option on all other series)

^①Uses sensors. ^②Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Top: Focus ST-Line X Edition with Active Park Assist 2 (option) and automatic transmission with rotary e-shifter (option); Bottom: Focus Titanium X Edition with rear wide-view camera (option).

Head-up display*

Projects key information to your field of vision, so you can keep your eyes on the road ahead. The image displays your choice of content, including vehicle speed, navigation, cruise control, and Traffic Sign Recognition²⁾ data. Compatible with polarised sunglasses. (Standard on Vignale and Active X Vignale Editions, and ST, option on all other series except Zetec Edition)

Blind Spot Information System with Cross Traffic Alert and Active Braking²⁾

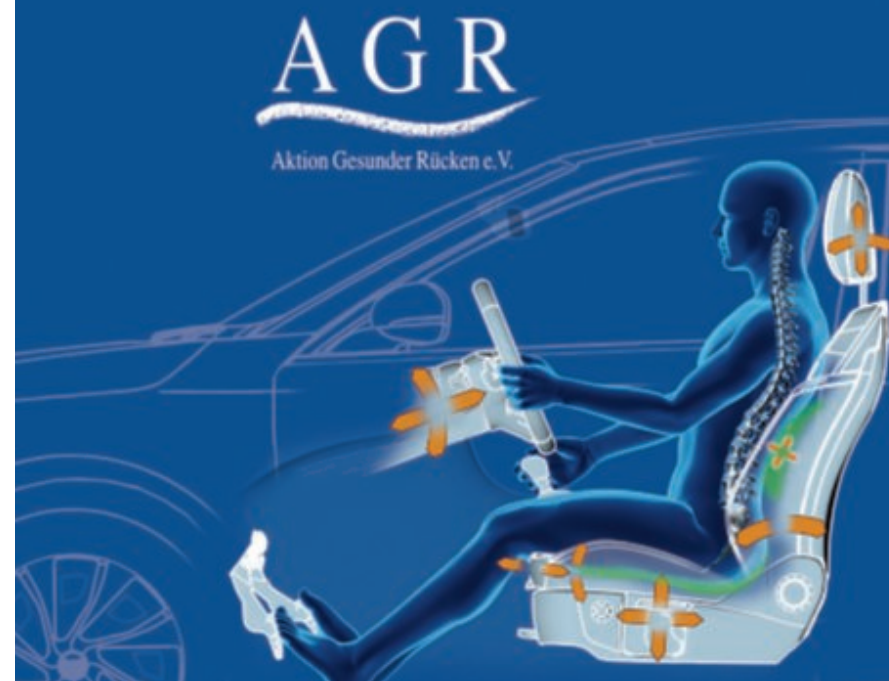

Blind Spot Information System alerts you via discreet warning lights built into both door mirrors, when another vehicle – car, van or lorry – enters your blind spot while driving. Similarly, Cross Traffic Alert helps when reversing out of a parking space by warning if a moving vehicle or other hazard is detected, and can automatically apply the brakes if you take insufficient action. (Option on all series)

¹⁾Uses sensors. ²⁾Driver Assistance feature.
*See owner's manual for details and system limitations.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Top: Focus Titanium X Edition with head-up display (option); Bottom: Focus Titanium X Edition with Chrome Blue premium body colour (option).

Ergonomic seats with AGR certification**

Ergonomically designed, 18-way manually-adjustable front seats with AGR accreditation – ideal for your back and for comfort on longer journeys. An AGR classification is the mark of a particularly high standard of back-friendly product. The AGR association researches the prevention of backache, and is widely supported by doctors and therapists. (Option on Zetec, Titanium, ST-Line and Active Editions. EcoBoost Hybrid (mHEV) model includes 2-way passenger seat adjust in place of 6-way)

B&O Premium Audio System

The available B&O Premium Audio System elevates the experience of every journey, letting you experience your music the way artists intended it to be heard. (Standard on Vignale and Active X Vignale Editions, and ST, option on all other series except Zetec Edition)

**The AGR quality cachet (Aktion Gesunder Rücken = Campaign for Healthier Backs): Certified and recommended by Association Forum Healthy Back – Better Living and Federal Association of German Back Schools. More information: AGR e.V., Stader Str. 6, D - 27432 Bremervörde. Phone + 49 4761/926 358 0.

Select

With a choice of exterior and interior styling, there's a new Ford Focus that's right for you.

Zetec Edition

Focus's stylish entry model has a richer level of standard features than ever before, including impressive integrated technologies

Key features

- 16" 5x2-spoke alloy wheels with Sparkle Silver finish
- Standard headlights – LED low beams with halogen high beams and LED daytime running lights
- Quickclear heated windscreen
- Front and rear parking sensors
- Ford Sync 3 Navigation with 8" TFT touchscreen & AppLink Apple CarPlay/Android Auto, hands-free calling, GPS, Bluetooth® and audible text messaging, 2 USB, Privacy Mode, remote audio controls and 6 speakers
- Electric parking brake
- FordPass Connect on-board modem* with eCall**
- Passenger airbag⁹ deactivation indicator
- Pre-collision Assist with Autonomous Emergency Braking

*The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/opt out of certain data sharing.

**Ford eCall is an innovative feature that helps vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

***Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.**

Titanium Edition

Focus Titanium Edition delivers elevated levels of sophistication and comfort, from superior quality materials to additional technologies.

Key features

- 16" 15-spoke alloy wheels with Sparkle Silver finish
- Automatic on/off headlights with follow-me home lighting
- LED rear lights
- Rain sensing wipers
- Auto-dimming rear-view mirror
- Dual-zone Electronic Automatic Temperature Control (DEATC)
- Heated front seats
- Ford KeyFree System with Keyless Entry and Keyless Start (with sleep-mode key fob)

Titanium X Edition

With all the qualities of Titanium Edition, plus enhanced comfort and styling features, Titanium X Edition makes a striking visual impression.

Key features

- 17" 10x2-spoke alloy wheels with Luster Nickel finish
- Fixed LED headlights
- Sports-style seats in partial leather* with Metal Grey contrast stitching
- 6-way power-adjustable driver seat
- 12.3" full digital instrument cluster
- Rear privacy glass
- Soft centre console knee pads

*Premium SENSICO® from November 2020.

Vignale Edition

Unique exterior styling and an elevated level of standard equipment ensures Vignale Edition offers the best in technology and comfort.

Key features

- 18" 5x3-spoke alloy wheels with Luster Nickel finish
- Adaptive LED headlights with auto-levelling and high beams
- Sports-style seats with Windsor Ebony leather trim*
- B&O Premium Audio System with 360° sound, 10 speakers, 675 watts and Digital Sound Processor
- 12.3" full digital instrument cluster
- Head-up display
- Powered hands-free tailgate (estate only)

*Premium SENSICO® from November 2020.

Active Edition

With its sporty, rugged lines, the adventurous Active Edition seamlessly blends form with function. Features additional to Zetec Edition include:

Key features

- 17" 5-spoke alloy wheels with Foundry Black finish
- Unique Active style front and rear bumpers
- Raised ride height
- Black painted roof and mirror caps
- Sports-style seats with Nordic Blue contrast stitch
- Front scuff plates with 'Active' logo
- Twin exhaust tailpipes

Active X Edition

Combining the practicality of an SUV with the agility of a hatchback, the sporty Active X Edition lets you take on challenges that others can't.

Key features

- 18" 5x2-spoke alloy wheels with Absolute Black painted/machined finish
- Fixed LED headlights
- Panorama roof (excludes roof rails on 5 Door)
- Sports-style partial leather* seats with Nordic Blue contrast stitching
- Heated front seats and steering wheel
- 12.3" full digital instrument cluster
- Dual-zone Electronic Air Temperature Control (DEATC)

*Premium SENSICO® from November 2020.

Active X Vignale Edition

Superior levels of sophistication and comfort combine with premium materials, additional technologies and unique styling elements.

Key features

- 18" 5x2-spoke alloy wheels with Absolute Black painted/machined finish
- Adaptive LED headlights with auto-levelling and high beams
- Sports-style seats with Windsor Ebony leather trim*
- B&O Premium Audio System with 360° sound, 10 speakers, 675 watts and Digital Sound Processor
- Head-up display
- Rear wide-view camera
- Ambient LED multi-colour interior lighting

*Premium SENSICO® from November 2020.

ST-Line Edition

The striking ST-Line Edition has a distinctly sporty character, thanks to its unique exterior styling and interior detailing. Features additional to Zetec Edition include:

Key features

- 17" 5x2-spoke alloy wheels with Rock Metallic finish
- Polished twin tailpipe
- Large body coloured rear spoiler
- Sports tuned suspension
- Sports-style seats with Eton in Ebony cloth and red contrast stitch
- ST-Line unique gearshift knob, with aluminium-finish (manual only)
- Alloy finish pedals

ST-Line X Edition

With an enhanced sporty look and sophisticated technology upgrades, ST-Line X Edition delivers a memorable driving experience.

Key features

- 18" 5x2-spoke alloy wheels with Matt Black machined finish
- Fixed LED headlights
- Sports style seats in partial leather* with red contrast stitch
- Red stitching on gearshift gaiter, steering wheel, floor mats and soft centre console knee pads
- Red brake calipers
- 12.3" full digital instrument cluster

*Premium SENSICO® from November 2020.

ST

Designed with keen drivers in mind, Focus ST adds even more luxury with unique partial leather seat trim.

Key features

- 19" 5x2-spoke alloy wheels with Magnetite finish
- Large rear spoiler
- Unique ST sport suspension
- Recaro partial leather seats with Metal Grey piping and contrast stitching
- 6-way power-adjustable front seats
- 12.3" full digital instrument cluster
- Head-up display

Key exterior features in addition to ST-Line Edition

- 18" 5x2-spoke alloy wheels with Matt Black machined finish
- Fixed LED headlights
- LED rear lights
- Red brake calipers

Key interior features in addition to ST-Line Edition

- Sports-style seats with partial leather trim* and red contrast stitch
- 12.3" full digital instrument cluster
- 6-way power-adjustable driver seat
- Heated front seats and steering wheel
- Dual-zone Electronic Air Temperature Control (DEATC)
- Red stitching on gearshift gaiter, steering wheel and centre console soft knee pads
- Front and rear floor mats with double-stitching in red
- Powered childproof rear door locks with remote control

Engines

Petrol

- 1.0L Ford EcoBoost 125 PS
- 1.0L Ford EcoBoost Hybrid (mHEV) 125 PS, 155 PS

Diesel

- 1.5L Ford EcoBlue 120 PS
- 2.0L Ford EcoBlue 150 PS

*Premium-feel SENSICO® from November 2020.

2 Select ST

Key exterior features in addition to ST-Line X Edition

- 19" 5x2-spoke alloy wheels with Magnetite finish
- Adaptive LED headlights
- Powered hands-free tailgate (estate only)
- Unique ST front and rear bumpers
- Unique ST upper and lower grille with full bodystyling kit
- Large rear spoiler, front and rear ST badge
- e-LSD (Electronic Limited Slip Differential)
- Unique ST sports suspension

Key interior features in addition to ST-Line X Edition

- Recaro partial leather seats in Ebony with Metal Grey piping and contrast stitching
- Head-up display
- Adaptive Cruise Control
- B&O Premium Audio System
- Front polished stainless steel scuff plates with ST logo
- Front and rear floor mats with Metal Grey stitching and ST logo
- Heated, unique ST steering wheel

Engines

Petrol

2.3L Ford EcoBoost 280 PS

Diesel

2.0L Ford EcoBlue 190 PS

2 Select

Heated Steering Wheel

Pack features

- Driver and front passenger heated seat cushion and seatback
- Heated steering wheel

Convenience Pack

Pack features

- Active Park Assist 1 (for manual transmissions)
- Active Park Assist 2 (for automatic transmissions)
- Door edge protectors
- Rear wide-view camera

Driver Assistance Pack

Pack features

- Traffic Sign Recognition
- Auto High Beam
- Adaptive Cruise Control (for vehicles with manual transmissions)
- Intelligent Adaptive Cruise Control (for vehicles with automatic transmissions)

ST Performance Pack (5-Door Petrol only)

Pack features

- Additional Drive Mode: Track
- Rev matching (manual transmission only)
- Gearshift Indicator light (manual transmission only)
- Launch Control (manual transmission only)
- Ambient LED interior lighting (multi-colour) – includes cup holders, footwells, map pockets and door openers (includes floorwell lights)
- Includes CCD suspension from 2021MY (September 2020) production onwards

4

Specifications

Get to know your Ford Focus inside and out, from its intelligent engine technology to its generous loadspace.

Ford EcoBoost mild Hybrid

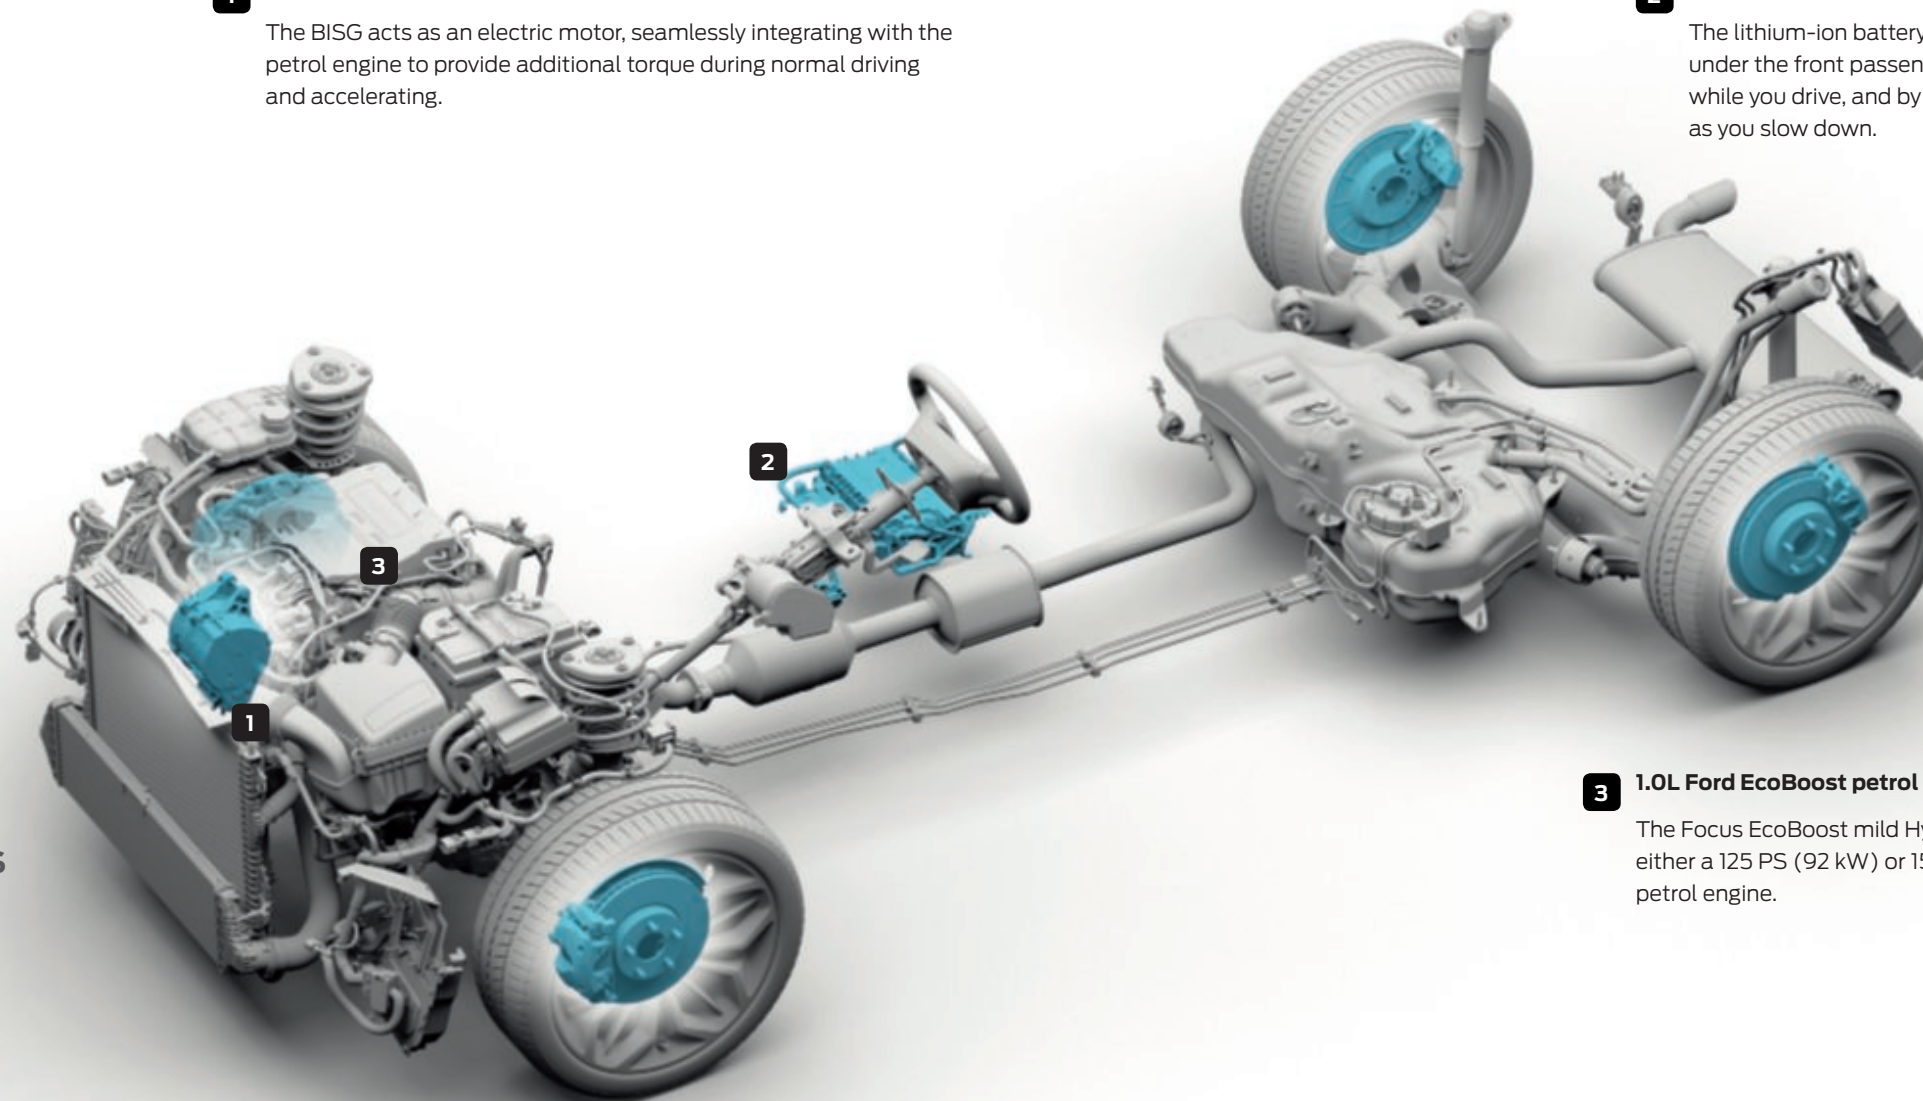

Available with a choice of 125 PS (92 kW) or 155 PS (114 kW) Ford EcoBoost mild Hybrid (mHEV) engines

1 Belt-driven integrated starter/generator (BISG)

The BISG acts as an electric motor, seamlessly integrating with the petrol engine to provide additional torque during normal driving and accelerating.

2 48-volt battery

The lithium-ion battery that powers the electric motor is located under the front passenger seat. It is automatically recharged while you drive, and by regenerative braking that reclaims energy as you slow down.

3 1.0L Ford EcoBoost petrol engine

The Focus EcoBoost mild Hybrid is available with a choice of either a 125 PS (92 kW) or 155 PS (114 kW) Ford EcoBoost petrol engine.

Self-charging battery

There's no need to plug-in your vehicle for charging. Mild Hybrid vehicles are able to recharge the battery in two ways:

Regenerative braking reclaims the energy typically wasted when decelerating or braking.

Conventional engine powers the generator which converts mechanical energy into electrical energy.

4 Specifications

The fuel consumption and CO₂ emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures.

Fuel and performance 5-Door

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

^{9a}Ford test figures. ^{9b}The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and will fully replace the NEDC latest by end of the year 2020.

The applied standard test procedures enable comparison between different vehicle types and different manufacturers. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>. ^{**}Active Edition/Active X Edition/Active X Vignale Edition.

[#]Represents the lightest kerbweight assuming driver at 75kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Roof load** is a maximum of 75kg on all models. **Gross Train Mass** includes trailer weight.

4 Specifications

The fuel consumption and CO₂ emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. *The wheel you choose will be fitted with the tyre size noted, but no choice of tyre brand is available. Note: the 18" wheels and tyres available on Ford Focus are designed to deliver more sporting driving characteristics and a firmer ride quality compared to standard 16 and 17" wheels. All 18" wheels require steering rack limiter (plant and Dealer fit)

Getting behind the wheel of your next new Ford is simple, with a variety of finance options.

Build your vehicle

Build and personalise your vehicle online. Simply head to the Ford website, select your model, then choose your engine, body colour and extras. You'll be able to view the recommended price, and send your configuration to a Ford Dealer if you wish.

www.ford.co.uk/cars

Find a Dealer and request a test drive

You can search for a Ford Dealer by location or Dealer name on the Ford website, and request a test drive online. Simply fill in your details and your chosen Dealer will contact you to arrange a convenient time.

Ownership

FordPass app

The FordPass app* gives you access to a host of useful features designed to make your journeys easier and help keep your vehicle healthy.

You can monitor your fuel level, mileage and tyre pressures from your smartphone; lock and unlock your car and heat your vehicle while you are elsewhere; find your way back to your parked car on a map; receive Vehicle Health Alerts directly to your phone, and much more.

www.ford.co.uk/owner/owner-services/fordpass

*FordPass Connect features and Live Traffic are complimentary on initial trial period following registration of the vehicle, thereafter a subscription is payable. See fordpass.co.uk for more information. Wi-Fi hotspot includes complimentary wireless data trial that begins at time of activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first. Afterwards a subscription to Vodafone is required (please refer to their website for details of data packages).

5 Purchase Protect

Ford Service

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car throughout its life.

- Ford Online Service Booking
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford-trained technicians using the latest diagnostic equipment and tools
- One call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers
- Up to 12 months' UK and European Roadside Assistance (at participating Dealers)

www.ford.co.uk/owner/owner-services/ford-service

Ford Protect

Extend your standard 3-year/60,000 miles warranty to 4 years/80,000 miles or 5 years/100,000 miles with Ford Protect. Key benefits include*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- The price of covered parts and labour are guaranteed for the length of your plan

Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

www.ford.co.uk/owner/my-vehicle/warranties

*Ford Protect terms and conditions apply. Please call 03702 416 726.

Ford Protect Service Plans

With various payment options available, you can cover the cost of your recommended scheduled services for up to 3 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your UK and European Roadside Assistance will be increased to the length of your plan
- Vehicle hire – in the event that we can't finish any warranty work within 24 hours, we'll lend you a courtesy car for up to 7 days**
- A full Ford Service History, which may enhance your car's resale value

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
